And so the soldiers in the Pankhurst people's army mutinied because they were not allowed to smoke at a meeting! Now, isn't that just like men? They're utterly hopeless!

"Man would be much happier if be only knew what he wanted," says a Louisville minister. And, knowing that, he would be worried considerably less if he had sense enough to know that nine times out of ten be isn't going to get it.

There is common sense in general postal order 7801, which provides that an unstamped letter shall be forwarded and double postage collected. That is better than holding the letter for the outcome of official correspondence with the person to whom it is addressed.

#### Big Improvements in Little Gas Heaters

New inventions have brought gas heaters to the highest degree of perfection. The old types are very crude in comparison.

When you inspect our 1914 stock of these heaters you will note-

That the heating flame is now luminous—not blue -quite as hygienic as the flame of an open grate fire.

You would note also that the heat is now thrown into the room by firebrick deflectors and copper reflectors.
